Subject: All SIDs at LIRF (Roma Fiumicino)
Reference: Italy AIRAC 12/11

Customers are advised that while the routings of SIDs at LIRF are correctly coded in Navtech databases as per Italy AIRAC 12/11 (Effective 12th Jan 2012), the initial departure idents have been omitted for cycle 1201.

When using the SIDs the initial climb procedures can be found as runway transitions for the SIDs with the runway as the ident.

We apologise for any inconvenience caused.

Correct idents will be included in cycle 1202 Navtech databases.
